INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §1.56 and 37 C.F.R. §§1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. Copies of each of the foreign references listed on the Form PTO-1449 are attached.

In compliance with the concise explanation requirements under 37 CFR § 1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of an English-language abstract.

Also enclosed is a copy of an International Search Report bearing the mailing date of June 3, 2004. The U.S. PTO is directed thereto for a concise statement of possible relevance of the references cited therein.

37 CFR 1.98(a)(3)(ii) states that if no translation is submitted, the Examiner will consider the information in view of the concise explanation and insofar as it is understood on its face, e.g., drawings, chemical formulas, English language abstracts, in the same manner that non-English language information in Office search files is considered by examiners in conducting searches. "The duty of candor does not require that the applicant translate every foreign reference, but only that the applicant refrain from submitting partial translations and concise explanations that it knows will misdirect the examiner's attention from the reference's relevant teaching." 204F.3d at 138, 54 USPQ2d at 1008.
